

# SV HD™

## Single Vision

SV HD delivers maximized visual performance from the center to the edge of the lens, providing the wearer “no limits vision”. This design is especially beneficial for high minus and plus prescriptions, prescriptions with large astigmatic corrections, and sport frames.

### BENEFITS

- Fully-personalized single vision lens
- Outstanding visual comfort and clarity
- Oblique astigmatism minimized
- Perfect for wrap frames
- High-definition vision from the center to the edge of the lens
- Beneficial for high Rx’s, and Rx’s with large astigmatic corrections
